Road hard, and I put up wet, I ain't down but I can't get  
up yet

It's a long ride back to the way I want to feel

Sun down across the plain, I've bee sore before I'll be  
sore again

No place to hide to keep from runnin'

Laid down in the cotton wood hollow, I left a trail no  
man could follow

Is it safe to rest my head again till morning

Cracked throat and my canteen's dry and

Rain don't fall from an empty sky

So I'll whisper Hail Marys till the sun comes up

Now don't tell me that part of the story when the  
cowboy falls in love

When he traded in his pistol and his saddle and the  
stars above

When the candle's burnin' down, when midnight comes  
around

You know the best that we can hope for

Is to be laughin' when we finally hit the ground

Road hard, come down tired, strip from the saddle  
when the rifle fired

Deep in dreams of women and clean water

Well I did before what I'll do again

So forgive me father if I have sinned

But the old wood cracks before it bends

Now don't tell me that part of the story when the  
cowboy falls in love

When he traded in his pistol and his saddle and the  
stars above

When the candle's burnin' down, when midnight comes  
around

You know the best that we can hope for

Is to be laughin' when we finally hit the ground

Now don't tell me that part of the story when the  
cowboy falls in love

When he traded in his pistol and his saddle and the

stars above  
When the candle's burnin' down, when midnight comes  
around  
You know the best that we can hope for  
Is to be laughin' when we finally hit

Yeah the candle's burnin' down, now midnight comes  
around  
You know the best that we can hope for  
Is to be laughin' when we finally hit the ground, yea  
The candle's burnin' down, and when midnight comes  
around
