Una soda por favor  
Can't drink cervecas anymore  
'Cause if I do I fear I'll fall down on the floor  
Una soda por favor  
Can't drink that anymore

DãfÂ³nde el baÃfÂ±o seÃfÂ±or?  
Please point me to the door  
And if you'd be so kind  
I swear that I won't puke on your floor  
DãfÂ³nde el baÃfÂ±o seÃfÂ±or?  
Point me to the door, to the door

Come off a hard day of thinkin'  
Just thought I'd do a little drinkin'  
Now man the lifeboats  
I think my ship is sinkin', yeah

QãfÂºe hora es seÃfÂ±ior?  
And who's that pretty girl standing there, by the door?  
I think I knew her from a thousand years before  
QãfÂºe hora es seÃfÂ±ior?  
I need a little more

I need a little more  
I need a little more  
I need a little more  
Hey, yeah!  
Hey, yeah!  
Yeah!
