Put on your leather, chains, and spikes
We're 'gonna raise some hell tonight
One for all and all for one
Metallic fury just has begun

Metal
True Metal
Never Rusts
Repeat 3x

What we play is not a trend
We'll stay this way until the end
We live it/ breath it it's in our blood
All should beware your time has come

Repeat chorus
Solo: Potash
Solo: Hoyer

So crank the Marshall's and down a beer
Pure aggression is all you'll hear
Our salute to the metal gods
Has been shown here in this song

Repeat chorus
Solo: Potash
Solo: Hoyer
Lead: Potash
