The bait, the prey, the mice  
Debate the method of demise  
Debate your high, I'll lie beside you  
Walk you down and lay the beat beneath your bed

Beneath the dead  
Debate the method in your head  
Chemical misanthropy  
Saving you from blame

I'll stand below you  
Lift you up, increase the pain  
I'll stand below you  
Lift you up, increase the pain

I wanna see you  
Hear your voice, regret the choice  
Rejoice in watching you collapse  
Destroy the map  
Falling headlong into the gap

Swallow poison, swallow the bait  
Swallow poison  
Swallow every word  
Said to free you from blame

I'll stand below you  
Lift you up, increase the pain  
I'll stand below you  
Lift you up, increase the pain

I wanna see you  
Hear your voice, regret the choice  
Rejoice in watching you collapse  
Destroy the map  
Falling headlong into the gap

The hunter dying in his trap  
The hunter dying in his trap  
The hunter dying in his trap  
The hunter, dead

Swallow poison  
Swallow the bait  
Swallow poison  
Swallow every word

Hook, line and sinker
