It's coming through the air  
For all of us to hear  
Could it be the sounds of liberation  
Or just the image of detention?

We want the airwaves back  
We want the airwaves back  
We don't just want airtime  
We want all the time all of the time

We want the airwaves back  
We want the airwaves back  
We don't just want transmission  
We want...

What frequency are you getting?  
Is it noise or sweet sweet music?  
What frequency will liberation be?  
What frequency will liberation be?  
It's coming through the air  
For all of us to hear  
Could it be the sounds of liberation  
Or just the image of detention?  
Control my flower  
Business, news all ready to devour  
Who's in charge and what does he say?  
Is he playing the alternative or does it sound the same  
old way?

We want the airwaves back  
We want the airwaves back  
We want transmission for the people (by the people)

We mean...

We wanted everything  
We needed everything  
We needed everything

What frequency are you getting?  
Is it noise or sweet sweet music?  
What frequency will liberation be?

What frequency? What frequency?

What frequency are you getting?

Is it noise or sweet sweet sweet sweet sweet?

What frequency will liberation be?

What frequency? What frequency? What frequency?

We want the airwaves back

We want the airwaves back

We don't just want airtime

We want all the time all of the time

What frequency are you getting?

Is it noise or sweet sweet music?

What frequency will liberation be?

What frequency will liberation be?

What frequency are you getting?

Is it noise or sweet sweet sweet?

What frequency will liberation be?

What frequency? What frequency?
