I'm tired of losing myself
To some stupid childhood dream of what I could have
been
Money proves the point
And I'm stuck between summer holidays and punk
routine
I shoot off a hundred things to remain more sorry than
safe, you see
I only get this fucking chance once and I just can't let it
be

And I'm still certain that what motivates me
Is more rewarding than any piece of paper could be
Well adjusted and corrupt
All those icons that stole our teenage lust
A scenario of simplicity
A scenario of you and me
A scenario of simplicity
A scenario of you and me

Rather be forgotten than remembered for giving in
Rather be forgotten than remembered for giving in
Rather be forgotten than remembered for giving in
Rather be forgotten than remembered for giving in

We're all tired of dying
So sick of not trying
Scared that we might fail
We'll accomplish nothing
We're all tired of dying
So sick of not trying
Scared that we might fail
We'll accomplish nothing
Not even failure
Not even failure
Not even failure
Not even failure

Rather be forgotten than remembered for giving in
Rather be forgotten than remembered for giving in
Rather be forgotten than remembered for giving in
Rather be forgotten than remembered for giving in

Giving in
Giving in
Giving in
