I'm tired of losing myself in some  
Stupid childhood dream of what I could've been  
Money proves the point, and I'm stuck between  
Summer holidays and punk routine

Well, shoot off a 100 things to remain  
More sorry than safe you see  
I only get this chance once  
And I just can't let it be

And I'm still certain that what motivates me  
Is more important than any piece of paper could be  
Well, adjusted and corrupt  
All those icons that stole our teenage lust

A scenario of our simplicity  
A scenario of you and me  
A scenario of our simplicity  
A scenario of you and me

Rather be forgotten, than remembered for giving in  
Rather be forgotten, than remembered  
(Than remembered)  
For giving in

Rather be forgotten, than remembered for giving in  
Rather be forgotten, than remembered  
(Than remembered)  
For giving in

We're all tired of dying  
So sick of not trying  
Scared that we might fail  
We'll accomplish nothing

We're all tired of dying  
So sick of not trying  
Scared that we might fail  
We'll accomplish nothing

Not even failure  
Not even failure

Not even failure  
Not even failure

Rather be forgotten, than remembered for giving in  
Rather be forgotten, than remembered  
(Than remembered)  
For giving in

Rather be forgotten, than remembered for giving in  
Rather be forgotten, than remembered  
(Than remembered)  
For giving in

Giving in  
Giving in  
Giving in
