So where do we go from here?  
Just about anywhere  
Disorientated but alive  
Boredom won't get me tonight

Let's bring this city  
To life, to light, tonight  
Let's bring this city  
To life, to light, tonight

There is no destination  
But with a goal in mind  
We can all be realistic  
Demand the impossible

Let's bring this city  
To life, to light, tonight  
Let's bring this city  
To life, tonight

Every street is an adventure  
And every road becomes a thrill  
[Incomprehensible]

Every turn we take  
And every decision  
That we don't make  
Even the decisions we don't make

Will bring us into  
The secrets of the town  
Every corner we turn will lead us  
Every corner we turn  
Will lead us down the labyrinth

And every desire that we earn  
Will guide us, alive, living  
Loving and searching  
And searching

So where do we go from here?  
Just about anywhere

Disorientated but alive  
Boredom won't get me tonight

Boredom won't get me tonight  
Boredom won't get me tonight  
Boredom won't get me tonight  
Boredom won't get me tonight
