Petrol bombs and barricades
Anything to have our say.
Consequence of no choice at all
Empires rise and empires fall.
Now its time to flip some coins.
And it's time to turn some tables.
Cause if we have the vision I know that we are able.
Suck on my words for a while, choke in the truth of a
million dead.
There is no prestige in your title, we are after your
head.
The destruction of everything is the beginning of
something new.
Your new world is on fire and soon you'll be too.
Sabotage will set us free.
Throw a rock in the machine.
Sabotage will set us fre.
Throw a rock in the machine.x3
