Simple solution, rejected for a change of views
I'm just evolving, I'm not better than you
I've changed, you said
I said, it's sad

You don't accept, the things that I believe
It will bleed 'cause I still feel
I've changed, you said
I said, it's sad

Too bad you didn't see the other side of me
Losing you it really hurt me
I'm not superior, I'm just a human being
So losing you, it really hurt me
'Cause you didn't take the time to see
