Chorus: i wanna chill (Chill) on sugar hill (its so lovely,
so lovely)
AZ's for real (oh he's for real) he's for real (its so lovely
sippin on
bubbly)

At times i wanna watch out the Mariot, zoning on
owning co-ops,
foreign drop top coups, and yachts guzzling straight
shots a scotch,
formulating up plots ta escape from Salems lock cuz its
scorching hot,
making it hard trying ta figure who's out ta trap me,
Pataki, got all
kinds of undercovers coming at me, perhaps he, won't
be happy, til they
snatch me, and place me where half slacks be, sitting
in Catsaki, but
never me, see, my destiny ta be forever free, in
ecstasy, on a hill
that awaits for me, so plus, just ta visualize is like a
coke rush,
vivid enough ta make living this a must, plus this is real

CHORUS

first line & (sugar hill baby, sugar hill baby)
second line & (ayo son pull the shades down and lets
count this money
put the grants in the safe, cuz we spending the
jacksons, the
washingtons go to wify, ya know how we do)

No more cutting grams, and wrapping grands up in
rubberbands, i'm a
recovered man, our plans ta discover other lands,
suburban places got me
seeking for oasis, cristal by the cases, ladies of all
races with dime
faces, sex on the white sand beaches of Saint Thomas,
though this ain't
promised, I'm as determined as them old timers, I

wanna villa in a Costa
Rica, so i can smoke my reefer and enjoy how life
supposed ta treat
ya, laid in the shades of the everglades, finally forever
paid, wearing
the finest fabrics tailors ever made, me and my team,
carrabeans
forseen, i guess being down for so long i'm all in store
ta see my
dreams
Chorus
so until i see past the green pasture, me being
supreme master, ain't
much more life ta feind after, but another chapter, a
new way of life to
adap ta, cuz these streets a gas ya, and have ya caught
up in the rapture
de ja vouz, i could vision my killa crew, more
hospitable, consciously
aware plus political, cuz though they claim that every
man created equal
whats his native people, find it harder for nights to
sleep through,
but once established we living lavish, like the house of
versi, paris,
i gotta have it, it so plus, just ta visualize is like a coke
rush,
vivid enough, ta make living this a must, plu this is real

Chorus 3x
ending: its so crazy im down wit AZ, its so lovely sippin
on bubbly
its so crazy jones and AZ, its so lovely sippin on bubbly
I wanna chill on sugar hill baby
I wanna chill on sugar hill baby
I wanna chill, I wanna chill, I wanna chill on sugar hill
baby
