Nope, I never got locked up, never got shot up  
But fuck around though, beat your whole damn block

Find your bitch knocked up, Seed keep it cocked up  
Sick, call a doctor, beat the shit out ya

They come home, find a bullet and their girl head red  
Uhhnnhh, how you love that, what happened to them

And all the gats they was getting in the club at  
Now y'all done fucked up, I done caught y'all fronting  
Get ya jaw tabbed up, with ya chin bone buzzin  
You can't squash, now you all alone cousin  
Your kids got no pops, wife no husband

Why y'all acting like ya don't know my fucking name fo'  
(IT'S BAAAAAAD SEED) Style off the chain yo  
Only close my eyes when I'm getting brains yo

And I'm tired of you rap cats, where you get the tracks

Scratch that, put your dough up dog, match that  
BROOKLYN! Where the killers and the crooks live  
BROOKLYN! The pot where the beat cookin  
Catch you while you ain't lookin, right hooks and look

Get your self esteem took kid  
Shorty ass fast, think I gotta bag that, right hips, sit

Roll a L, pass that, steal a whip, smash that  
Bad Seed, hot light, mama flap decks  
Stay in the cut, made nigga, stay with a slut  
And I'm a very cheap nigga, I don't pay for the butt  
I stash cash, baby girl wow, you must got be mistaken

Spend a lot of dough, only on me  
Not a Prada for you boo, but you can catch a Rollie on
