I'm leaving today  
Living it, leaving it to change

Slowly drifting into a peaceful breeze  
Tongue tied, twisted are all my memories  
Celebrating a fantasy come true  
Packing all my bags finally on the move

I'm leaving today  
I'm living it, leaving it to change

As I'm driving I'm captured by the view  
Of so much beauty, the road becomes my muse  
The heat is rising and my head soars through the wind  
Cool, calm, collective is a child that lost a thing

I'm leaving today  
I'm living it, I'm leaving it to change  
I'm leaving today  
I'm living it, I'm leaving it to change  
But somehow I'm missing  
I think I really miss it

Don't walk away  
And I'm feeling like I've never felt before  
Turn down the memories of yesteryears and broken  
dreams  
I'm free, finally free

Slowly drifting into a peaceful breeze

I'm leaving today  
I'm living it, leaving it to change  
See I'm leaving today  
I'm living it, I'm leaving it to change  
I'm leaving today (I'm leaving it to change)  
Living it, I'm leaving it to change

Living it, leaving it  
Said I'm living it, leaving it  
Living it, leaving it to change

(I'm leaving it to change)  
But somehow I miss it  
I think I really miss it  
One day
