I dream, there's nothing that's too tough  
There's nothing that's hard enough  
For me and you, to get through  
And I know, that with your hand in mine  
There's not a goal, we can't reach in time

Life can bring us down, you see  
Sometimes it's been our destiny  
But I foresee, possibilities  
For you and me, ohh  
I can hold the faith, I know  
That will see us through, it all

I have had a dream  
(I have had a dream)  
You and I can  
Get through anything  
(Get through anything)  
Don't you ever say never, because  
I have dreamed a dream  
(I have dreamed a dream)  
I know, I know we can  
Get passed everything, ohh no

I feel, all can become real  
Nothing's too impossible  
For us to do, ohh and  
I see, endless opportunities  
We can reach oh, if we both believe, ohh

Sometimes hoping's not enough  
The paths ahead can be so tough  
But if we stay, confident we'll see  
A brighter day, ohh  
I can hold the faith, I know  
That will see us through, the end  
Ohh ooh, oh yeah yeah

I have had a dream  
(I have had a dream)  
You and I can

Get through anything  
(Get through anything)  
Don't you ever say never, because  
I have dreamed a dream  
(I have dreamed a dream)  
I know we can  
Get passed everything, ohh no

I have dreamed a dream  
(I have dreamed and dream)  
You and I  
Can get through anything  
(Get through anything)  
Don't you ever say never, because  
I have dreamed a dream  
(I have dreamed a dream)  
I know, we can, oh  
Get passed everything, ohh yeah oh
