I'm reaching out to touch you in the middle of the night.
And I don't know if I've been sleeping but I hold my
pillow tight.
Are you real or are you my imagination playing games?
I can set you free; you'll always be my one eternal
flame.

Your dreamy eyes,
They just wont say good-bye.
Well, it must be my fate cause
I just cant escape.
And the passion never dies...
Oh, dreamy eyes.
No matter how I cry
I just cant reach you, dreamy eyes.

You're a vision of tomorrow and a ghost from
yesterday.
And I'll be trying not to let you take my breath away
You're a summer breeze that comes and goes
But somehow lingers on
Tell me how can I forget you, if you're never really
gone?

Your dreamy eyes,
They just wont say good-bye.
Well, it must be my fate cause
I just cant escape.
And the passion never dies...
Oh, dreamy eyes.
No matter how I cry
I just cant reach you, dreamy eyes.

What do I have to do, to get that close to you...
And your- your dreamy eyes
They just wont say good-bye.
Well, it must be my fate cause
I just cant escape.
And the passion never dies...
Oh, I try so hard to release you.
but No matter how I cry

I just keep seeing through dreamy eyes.
