[T] Dilenquent]:

Yeah, ugh, cmon, 99, remix
Wha-what, wha-wha-what, y-y-y-y-yo
Playaz of tha Night, cmon, Tj D tear it up, cmon,
Christina, cmon, girl, lemme release ya
Ayo, here we go.....

[Christina Aguilera:]

I feel like I've been locked up tight (Uh-huh)
For a century of lonely nights;
Waiting for someone (Who dat, who dat)
To release me.
You're licking your lips and blowing kisses my way,
(Yeah, yeah)
But that don't mean I'm gonna give it away; (Cmon girl,
wha)
Baby, baby, baby.
(Baby, baby, baby.)

Oh whoa... (Mmmm, cmon, girl)
My body's saying let's go.
Oh whoa... (Sing it for em)
But my heart is saying no.

If you wanna be with me, baby, there's a price you pay.
I'm a genie in a bottle, you gotta rub me the right way.
(Yeah, yeah, aight)
If you wanna be with me, I can make your wish come
true.
(I know you can, boo)
You gotta make a big impression, I gotta like what you
do. (Hahahaaa)

I'm a genie in a bottle, baby. (Wha-what)
Gotta rub me the right way, honey.
I'm a genie in a bottle, baby,
Come, come, come and let me out. (Ima let you out)

The music's playing and the lights' down low,
One more dance and then we're good to go;
Waiting for someone

Who needs me.
My heart is beating at the speed of light,
But that don't mean it's gotta be tonight;
Baby, baby, baby.
(Baby, baby, baby)

[T] Dilenquent:]

Ugh
Yo....yo, yo yo, cmon,
TJ Dilenquent, Playaz of tha Night, representhall clique
yall, wha-what,
play on....
Girl, been searching all over, like a fiend in cassanova
and
now I discover
Another lover who let me kiss her
and hug her
and rub her
and love her
thinkin of her, and wanna do this and that
But baby boo unsure and wanna leave it at where tha
kissin's at
Girl open yo heart and don't take it so mentally
Cuz we meant to be, I was sent to you like you was sent
to me
You been frontin for months and
Takin somethin to nothin
And while you be kissin me, it deepens the possibility,
But makin yo moves so sedutively, makez me less
reluctant, see
Baby, it'll be aight, and the feelin's right,
Know this is the night, and you feelin my ice,
We gon take it step by step, day by day
Let the feelin set, go play by play
So whachu say?...

[Christina Aguilera:]

Oh whoa...
My body's saying let's go. (Lets go, girl)
Oh whoa...
But my heart is saying no.

If you wanna be with me, baby, there's a price you pay.
I'm a genie in a bottle, you gotta rub me the right way.
If you wanna be with me, I can make your wish come
true.
Come and set me free, baby, and I'll be with you.

I'm a genie in a bottle, baby.
Gotta rub me the right way, honey.
I'm a genie in a bottle, baby,

Come, come, come and let me out. (Here we go.....)

[T] Dilenquent/Christina sings softly in the background:]

So Ima come, come, come and let you out
Wit no doubt, when we go mouth to mouth
Yeh, boo, thats wha I'm bout,
Get the light's out, right now, and Ima take yo fright's
out
Ain't no stoppin it, this lovin shhhhhiiii
Got a brotha set up to hit, and you gon be lovin it
-So you a genie it a bottle?
Then grant me 3 wishes, lemme taste yo kisses
Cause baby you delicious,
Ain't no more playing with bitches, cause I'm making
some switches
Don't need to wish for no riches
Because you're invaluable, and I love you, girl
You gots the full quoitent of my devotion, and you
know I care
For yo emotions, love deep as the ocean,
Got my full dedication, along with a fool's infatuation,
Baby I been paitent, for all the days it been
-So you a genie in a bottle?
Then I'm your Aladdin, let's make it happen,
So finish yo yappin as I finish my rappin.
Feel your heart beating and you waiting to be set free
So let me, let you
Make my dreams come true, if you come through, and
do
The things, baby, I want you too, I want you, boo,
Make it one night, let's make that night tonight, aight?
Let the teasin turn to pleasin, the deceiving into
believeing.
And lemme give you what you needin, now how you
feelin'?

[Christina Aguilera:]

Oh whoa... (Mmmmm, yeh)
My body's saying let's go. (Let's go, cmon, girl, let's
roll)
Oh whoa...
But my heart is saying no. (Damn)

If you wanna be with me, baby, there's a price you pay.
I'm a genie in a bottle, you gotta rub me the right way.
If you wanna be with me, I can make your wish come
true.
You gotta make a big impression, I gotta like what you
do.

If you wanna be with me, baby, there's a price you pay.
I'm a genie in a bottle, you gotta rub me the right way.
If you wanna be with me, I can make your wish come true.
Come and set me free, baby, and I'll be with you.
