Play something for me Alicia...
I just got something on my mind

Alicia: Speak on it girl

It's impossible
It's impossible to love you
If you don't let me know what you're feeling
It's impossible for me to give you what you need
If you're always hidin' from me

I don't know what hurt you
I just, I wanna make it right
Cos boy I'm sick and tired of trying to read your mind

It's impossible (impossible)
Oh baby it's impossible for me to love you
It's the way it is
It's impossible (impossible)
Oh baby it's impossible
If you makin' it this way

Impossible to make it easy
If you always tryin' to make it so damn hard
How can I, how can I give you all my love, baby
If you're always, always puttin' up your guard

This is not a circus
Don't you play me for a clown
How long can emotions keep on goin' up and down

It's impossible (impossible)
Oh baby it's impossible for me to love you
It's the way it is
It's impossible (impossible)
Oh baby it's impossible
If you keep treating me this way
Over, over (over and over)

Impossible baby (impossible, impossible)
If you makin' it this way, this way

Oh baby, it's impossible
If you makin' it this way
