Alright

I can see you, from a far
Taking notice, who you are
I know that you, can see me too
But if you plan to make your move
You better make it soon

Baby, baby
What's your hesitation
Pretty soon you're gonna
Lose my attention
I don't know what's going on in your mind
But you're running out of time

Running out of time
Oh, you're running out of time
You're running out of time
Oh, you're running, running
Out of time

Something like that?

I can see you, from a far
Taking notice, who you are
I know that you, can see me too
But if you plan to make your move
You better make it soon

Baby, baby
What's your hesitation
Pretty soon you're gonna
Lose my attention
I don't know what's going on in your mind
But you're running out of time

Running out of time
Oh, you're running out of time
Ohh, you're running out of time
Yeah, you're running out of time
Ohh, yeah yeah yeah

I can see you, from a far
Taking notice, who you are
I know that you, can see me too
If you plan to make your move
You better make it soon

Baby, baby
What's your hesitation
Pretty soon you're gonna
Lose my attention
I don't know what's going on in your mind
But you're running out of time

Running out of time
Oh, you're running out of time
You are running out of time
Oh, you're running out of time

Baby, baby
What's your hesitation
Pretty soon you're gonna
Lose my attention
I don't know what's going on in your mind
But you're running out of time

Running out of time
Oh, you're running out of time
Ohh, you're running out of time
Yeah, you're running out of time
Ohh, yeah yeah yeah
