In these moments, moments of our lives  
All the world is ours, and this world is so right  
You and I sharing this time together  
Sharing the same dream,  
As time goes by we will find

These are the special times, times we'll remember  
These are the precious times  
The tender times we'll hold in our hearts forever  
These are the sweetest times, these times together  
And through it all, one thing will always be true  
The special times are the times I share with you

With each moment, moment passing by  
We'll make memories that will last all our lives  
As you and I travel through time together  
Living this sweet dream  
And every day we can say

These are the special times, times we'll remember  
These are the precious times  
The tender times we'll hold in our hearts forever  
These are the sweetest times, these times together  
And through it all, one thing will always be true  
The special times are the times I share with you  
These tender moments, heaven is so close  
These are the moments that I know

These are the special times, times we'll remember  
These are the precious times  
The tender times we'll hold in our hearts forever  
These are the sweetest times, these times together  
And through it all, one thing will always be true  
The special times are the times I share  
The special times are the times we share  
The special times are the times I share with you
