I told Sally I was never happy
I needed so much more
Rain clouds, oh they used to chase me
Down they would fall
Join my tears, allay my fears

Chorus:

Sent to me from Heaven
Sally Cinnamon, you are my world

You taste the Chewy Ade
There is something, hey, you must show me
>From what you are made
Sugar spice
And all things nice

Chorus:

Sent to me from Heaven
Sally Cinnamon, you are my world

Your eyes are gazing back from
Every little piece of glass
You seem to smile from every palce [sic]
Sally Cinnamon, you are my world

Then I put the letter back in
It's the place where it was found
It's a pocket in a jacket
On a train in town

Chorus:

Sent to me from Heaven
Sally Cinnamon, you are my world
