Every night I have this same dream, now I have you
here by me
I can't let you go, I need for you to stay, so listen to me
baby
You're all that I want, all that I need, just take my hand
Chorus:
Show me the way to your heart, I'm lost here without
you
I know that we could make a new start, and you know
what to do
Show me the way
Say the words I want to hear, I'm not the same without
you near
I can't let you go, there's nowhere else to turn and I'm
counting on you baby
I'm down on my knees, begging you please, what can I
say?
chorus
Say what you feel, mean what you say, I wouldn't have
it any other way
Say what I want to hear, you know what it is, tell me
baby, is it really love?
Oh take me there
(Solo)
chorus
Show me the way, just say the word, show me baby,
show me the way
Take me all the way, just say the word, oh yeah, just
show me baby...
