Now I thank you for the  
Things you didnt say  
And I thank you cause you were  
Coming in my way

Im so tired of waiting  
Waiting for the one  
Whos gonna show me the way  
So tired of waiting  
Everything I want  
Is a place to stay

And I thank you for the  
Things you didnt do  
And I thank you cause you were  
Staying so untrue

Im so tired of waiting  
Waiting for the one  
Whos gonna show me the way  
So tired of waiting  
Everything I want  
Is a place to stay

There will be laughter  
Dont make it go away  
You hold disaster  
Its time to move on  
Its time to look for something new

Im so tired of waiting  
Waiting for the one  
Whos gonna show me the way  
So tired of waiting  
Everything I want  
Is a place to stay

Im so tired of waiting for the one  
Cant stay long now Ive got to move on  
Im so tired of waiting for the one  
Cant stay long now Ive got to move on
