I'm looking for some love tonight, tell me what's your plan  
Are we gonna play hide and seek, or catch me if you can  
I'm looking for a reason now, baby you can bet  
It isn't gonna be that easy  
What you see just may not be the same as what you get  
Chorus:  
Touch and go - I'm right here, I'm ready and I'm able  
Don't say no - oh no, it's nothing more than  
Touch and go - she's right there with a wiggle and a giggle  
Touch and go, always touch and go  
I flip the switch and the lights go on, but there's nobody home  
This time I'll leave it up to you, let me know when you're ready to go  
Up, down, in and out, your love runs hot and cold  
They're all calling you a shoulda, woulda, coulda  
So make it, don't you fake it or just leave me alone  
chorus  
Flip, Flop, who's on top, gotta keep going on till we drop  
Oh no, I don't know, down the road I go  
(Solo)  
chorus  
Touch and go - high strung pretty little fly  
Don't say no - oh no, don't tell me you've been thinking  
Touch and go - loose cannon giving me the willies  
Touch and go, always touch and go  
Touch and go, go ahead and touch me
