Buzilla baby

Catch a four leaf clover  
Maybe we'll get over  
Try and love might come your way

Here I am, on a cloud  
If you want me take the chance try love out loud  
As I drift through the sky  
Shooting cupid's arrow you just might try  
So don't miss baby, take your time  
You only got one chance, yes

1 - Catch a four leaf clover  
Maybe we'll get over  
Catch a four leaf clover  
Love my getcha over  
Catch a four leaf clover  
Maybe we'll get over  
Try and love might come your way

Like the way I am free  
Going places, being things I wanna be  
Settle down, is oh so hard  
But I will pray you that one chance  
So pick the one right one  
And don't miss it, take your time  
You only got one chance, do wee ooh wee ooh

Repeat 1

Free as a bird, yeah, yeah  
To catch me is to catch a leprechaun  
Hold on to your rabbit's foot  
I just might be yours forever

Repeat 1

Catch a four leaf clover  
(Catch a four leaf clover)  
Catch a four leaf clover

Love might getcha over  
Catch a four leaf clover  
(Catch a four leaf clover)  
Try and love might come your way  
Maybe we'll get over  
(repeat til end of song)
