The world is so dramatic.....

I can't believe

that we're still livin'

oh in this crazy crazy world

that I'm still livin'

with all the problems of the day

how can we go on

so tired of hearing people say how can we go on

fantasy people

make believe people

how can you go on

but you're still livin'

race relations, segregation, no occupation

world inflation, demonstration, miseducation

no celebration to celebrate your lives

listen people listen

lift up your hearts to GOD

lift up your soul

teach your children Wisdom

Reality today... so they can live tomorrow

I can't believe

that we're still livin'

oh in this crazy crazy world

that I'm still livin'

with all the problems of the day

how can we go on

so tired of hearing people say

how can I go on

fantasy people

make believe people

how can you go on

but you're still livin'

listen people listen

lift up your hearts to GOD
teach your children Wisdom
Reality today...
