Oh my my my  
I'm feeling high  
My moneys gone  
I'm all alone

The world is turnin'  
Oh what a day  
What a day whay a day

Peace and blessings manifest with every lesson learn,  
If your knowledge were your wealth then it will be well  
earn

If we were made in his image then call us by our names  
Most intellects do not believe in god but they fear us  
just the same

Oh on and on and on and on  
Whew on and on and on and on  
I go on and on and on and on  
Ohh on and on and on and on

I was born under water with 3 dollars and 6 dimes  
Yeah you might laugh 'cause you did not do your math

Na qua 2..3.  
Damn, yall feel that? Oh...  
Qua 2..3.  
The world keeps turning  
Oh what a day what a day what a day

The man that knows something knows that he knows  
nothing at all  
Does it seem colder in your summertime and hotter in  
your fall

If we were made in his image then call us by our names  
Most intellects do not believe in god but they fear us  
just the same

Oh on and on and on and on

On and on and on and on  
I go on and on and on and on  
On and on and on and on

I am feeling kinda hungry 'cause my high is coming  
down  
Don't feed me yours 'cause your food does not endure  
I think i need a cup of tea, the world keeps burnin'  
Oh what a day, what a day what a day

You rush into destruction 'cause you don't have nothin'  
left  
The mothership can't save you so your ass is goin' get  
it  
If we were made in his image then call us by our names  
Most intellects do not believe in god but they fear us  
just the same

Oh on and on and on and on  
On and on and on and on  
Ooh ooh wee on and on and on and on  
On and on and on and on
