Too many teardrops for one heart to be crying
too many teardrops for one heart to carry on

You're way on top now since you left me
You're always laughing way down at me
But watch out now I'm gonna get down
We'll be together in just a little while
And then I'm gonna put you way down here
And you'll start crying 96 tears

You'll cry, cry, cry, cry

And when the sun comes up I'll be on top
You'll be right down there looking up

I'm gonna get you but I know now
I'll just cry

Cry I'll just cry

Too many teardrops

You're gonna cry 96 tears
