Girl was your head full of lead
Cant you see what you're doing to me
Wipe that disgrace off your face
Look and see what you've done to me

Girl you look bored
I wish everything about the danger
Wouldn't make you such a stranger

So whats the deal dont you feel
What im dealing with
But its alright
Girl come on now
Show you how to deal with this
But not tonight cause...

Girl you look bored
I wish everything about the danger
Wouldn't make you such a stranger

Hold me so close
I can tell you have the best intentions
One of those simple inventions
Never a dull situation
We could just stay on vacation

Never start an argument with you
Something I wont do

Girl you look bored
I wish everything about the danger
Wouldnt make you such a stranger
Hold me so close
I can tell you have the best intentions
One of those simple inventions
Now that I have your attention
