[Featuring Fluxuation]

i can't believe the words that you said to me
i thought that we were in love together
i can't believe the words that you said to me
i'm not afraid of you, or you either

love i'm in love, i'm in love i'm in love
i'm in love i'm in love, i'm in love i'm in love
like a glove like a glove, like a glove i'd stick to you

i can't believe everything that you told me the other
day no way
you said that we were no longer in love but it was okay
how many times did we go out and see a movie

love i'm in love, i'm in love i'm in love
i'm in love i'm in love, i'm in love, i'm in love
like a glove like a glove, like a glove i'd stick to you

girl

you don't realize that i am standing all alone
and i'm waiting in the movies but i am waiting by the
phone
you don't call me up and call me up and make me feel
at home cause
realize that's why you're so much God i think that
maybe i'm in love

I o v e love, I o v e love
I o v e love, g l o v e glove

i can't believe what you said to me, that day
you told me i wasn't right, yeah
i'm not in love with you no more, no way
i'm not in love with you no more, no girl
i'm not in love with you no more, no way
i'm not in love with you, i'm going to find my next
girlfriend
today's my find a girlfriend day
thank you very much
