asking me discretely
when she can come meet me
later on tonight
talking super softly
how we both look gothy
but its alright

dont tell me what you're doing to me
i dont wanna look sleazy
but you make it seem so easy

anna please get off the phone now
i've got to let you know now
it's time for you to take me home

anna please get off the phone now
i've got to let you know now
how much you mean to me

kissing me so slowly
shouldn't be this lucky
like we're in a movie
smiling at me in the moonlight
wishing this could be every night
and every night and every night again

don't tell me what you're doing to me
i don't wanna look sleazy
but you make it seem so easy
Anna please get off the phone now
I've got to let you know now
it's time for you to take me home

Anna please get off the phone now
I've got to let you know now
how much you mean to me

and I'd still be waiting
when all this starts fading
it's true
you don't even know
how much I need you

(2x)

Anna please get off the phone now
I've got to let you know now
it's time for you to take me home

Anna please get off the phone now
I've got to let you know now
how much you mean to me
