Asking me discretely, when she can come meet me
Later on tonight
Talking super softly, how we both look gothy
But it's alright

Don't tell me what you're doing to me
I don't want to look sleazy
But you make it seem so easy

Anna, please get off the phone now
I've got to let you know now
It's time for you to take me home
Anna, please get off the phone now
I've got to let you know now
How much you mean to me

Kissing me so slowly shouldn't be this lucky
Like we're in a movie
Smiling at me in the moonlight
Wish this could be every night
And every night and every night again

Don't tell me what you're doing to me
I don't want to look sleazy
But you make it seem so easy

Anna, please get off the phone now
I've got to let you know now
It's time for you to take me home
Anna, please get off the phone now
I've got to let you know now
How much you mean to me

And I'd still be waiting
When all this starts fading, it's true
You don't even know how much I need you

Anna, please get off the phone now
I've got to let you know now
It's time for you to take me home
Anna, please get off the phone now
I've got to let you know now

How much you mean to me

Anna, please get off the phone now
I've got to let you know now
It's time for you to take me home
Anna, please get off the phone now
I've got to let you know now
How much you mean to me
