There goes my baby
Leaving me today
Don?t know why she's leaving me
And don't know what to say

A new frustration
On top of all the rest
Funerals are relationships
So where's my Sunday's best?

Don?t tell me
Everything's okay
It?s not enough that you
Took it all away

What is the problem?
No one tells me why
Leave me at a corner and just
Stand waving goodbye

When can I see you?
Is all I want to know
Hopefully someday you'll think
About the day you'd go

Don?t tell me
Everything's okay
It?s not enough that you
Took it all away

There goes my baby
Everything?s okay
There goes my baby
Everything?s okay

There goes my baby
Everything?s okay
There goes my baby
Everything?s okay

There goes my baby
Everything?s okay

There goes my baby
Everything's okay
