Stains of problems that I never thought about  
I knew I left out something  
Pain is what you'll learn to enjoy  
We need pain to get the pleasure baby

But the stains  
Can't wash away these stains  
Can?t wash away

I see the lighter, you see desire in the flames  
Let's burn it down  
I watch through the window  
I didn't think you'd go through with this baby

Run, why do you always stay to see  
If anyone was trapped in here besides me?  
Oh, that smile, I always loved to see you smile  
Anything to make sure that you're happy sweetie

But the stains  
Can't wash away the stains  
Can?t wash away

I see the lighter, you see desire in the flames  
Let's burn it down  
I watch through the window  
I didn't think you'd go through with this baby

This is the part of you I hate  
This is the part of you I hate  
This is the part of you I hate  
You better fucking rescue me

Stains  
Can't wash away the stains  
Can?t wash away

I see the lighter, you see desire in the flames  
Let's burn it down  
I watch through the window  
I didn't think you'd go through with this baby

I see the lighter, you see desire in the flames  
Let's burn it down  
I watch through the window  
I didn't think you'd go through with this baby, baby
