I don't need no one to tell me how to feel the beat  
And I don't need no beat to tell me how to move my  
feet  
Just go and do what you do  
'Cause there's nothing to prove  
I'm just being me  
Wa-watch me  
Do me

I don't need no magazine to tell me who to be  
And I don't need to pose for pa-pa-paparazzi  
Just keep the cameras flashin'  
To try to catch this action  
I'm just being me  
Wa-watch me do me  
Me... me... me...

Light up the floor  
Play me one more  
Let me hear that  
Click clack on the high, high  
Let the base vibrate  
Feel the room rock  
Light up the floor  
Just like before  
Let me hear that  
Base drop on the boombox  
Make your heart stop  
Feel the room rock

I'm doin' all I wanna do  
And I won't stop untill I can't move  
I'm just bein' me  
Watch me do me  
(Me, me)  
Watch me do me  
(Me, me)  
Watch me watch...

I don't need no music when I wanna sing a song  
And I don't need what's popular to know what's right or

wrong  
I'm bussy burnin' the track  
Not holding anything back  
I'm just being me  
Wa-watch me do me  
Me... me... me...

Light up the floor  
Play me one more  
Let me hear that  
Click clack on the high, high  
Let the base vibrate  
Feel the room rock  
Light up the floor  
Just like before  
Let me hear that  
Base drop on the boombox  
Make your heart stop  
Feel the room rock

I'm doin' all I wanna do  
And I won't stop untill I can't move  
I'm just bein' me  
Watch me do me

I'm ready  
I'm, I'm ready to go  
Let, let it  
Let, let, let it explode  
I'm ready  
I'm, I'm ready  
To go... to go... to go...

Light up the floor  
Play me one more  
Let me hear that  
Click clack on the high, high  
Let the base vibrate  
Feel the room rock  
Light up the floor  
Just like before  
Let me hear that  
Base drop on the boombox  
Make your heart stop  
(Stop...) Ha!

I'm doin' all I wanna do  
And I won't stop untill I can't move  
I'm just bein' me  
Watch me do me  
Me... me...

Watch me do me  
Me... me...  
Watch me, watch me!
