I don't mind when you say that you're going away  
I just don't wanna be lonely  
And I don't care if you share only moments a day  
I just don't wanna be lonely

I'd rather be loved and needed  
Depended on to give a love I can't give  
When you're gone, when you're gone  
I just don't wanna be lonely  
I'd rather be loved

I'd rather be loved

I don't mind when the time sets the sun to the moon  
I just don't wanna be lonely  
Let the stair find you there baby, at the end of the room  
I just don't wanna be lonely

Oh, I'd rather be loved and needed  
Depended on to give a love I can't give  
When you're gone, when you're gone  
I just don't wanna be lonely  
I'd rather be loved, baby  
I'd just rather be loved, baby

I'd rather be loved

I'd rather be loved and needed  
Depended on to give a love I can't give  
When you're gone, when you're gone  
I don't wanna be lonely  
I'd rather be loved, baby  
I'd just rather be loved

I'd rather be loved and needed  
I'd just rather be loved  
Rather be loved, rather be loved, rather be
