[Verse 1]

Now you've been up and you've been down  
Stayed strong even though daddy wasn't around  
My momma through the thick and the thin beginning to  
end  
And though I be sinning you keep me livin' with that  
love that you givin'  
It's unconditional hey the sun shines when I see a smile  
on ya face  
My momma with the money and jewels the record and  
tours  
I'd give it away if I could make your days happy days  
And when my hearts broke and can't cope I'm comin'  
on home  
To remember the reason why I was born  
Cuddle up inside your heavenly arms you help me  
weather the storm  
You love music so I put it in song

[Chorus]

She's an Angel workin' on God's train  
She's an Angel workin' on me  
She's an Angel workin' on God's train  
She's an Angel workin' on me

[Verse 2]

I wasn't born wild you know you raised me right  
But the roads of Alabama called me into the night  
From the coke and the weed and extacy  
I'm lost in the streets but you still remain next to me  
The blood that I bleed it flows through your veins  
Even in my lowest point I can still hear your words to my  
brain  
First time I was arrested mommas love was tested  
I couldn't contest it so here's my confession you're my  
blessing  
You're the reason I believe you're the reason I sing  
You're the reason angels tangle me in heavenly things  
It's been a long road so hard and cold  
But you keepin' me warm with your heart of gold

[Chorus]

[Verse 3]

You're the light at the end of the tunnel the break of the  
day

After the darkest night chasing all the evil away

You're my flowers and sunshine cherries and red wine

Diamonds they can't find shining through hard times

You're the angel on Earth the proof there's a God

The reason to keep on going you're my light in the dark

The first star in the sky and the last to leave

And when I'm travelin' through the night I feel your light  
on me

[Chorus]
