**"Whistle"**

Can you blow my whistle baby, whistle baby

Let me know

Girl I'm gonna show you how to do it

And we start real slow

You just put your lips together

And you come real close

Can you blow my whistle baby, whistle baby

Here we go

I'm betting you like people

And I'm betting you love creep mode

And I'm betting you like girls that give love to girls

And stroke your little ego

I bet I'm guilty your honor

But that's how we live in my genre

When in hell I pay rottweiler

There's only one flo, and one rida

I'm a damn shame

Order more champagne, pull a damn hamstring

Tryna put it on ya

Bet your lips spin back around corner

Slow it down baby take a little longer

Can you blow my whistle baby, whistle baby

Let me know

Girl I'm gonna show you how to do it

And we start real slow

You just put your lips together

And you come real close

Can you blow my whistle baby, whistle baby

Here we go

Whistle baby, whistle baby,

Whistle baby, whistle baby

It's like everywhere I go  
My whistle ready to blow  
Shorty don't leave a note  
She can get any by the low  
Permission not approved  
It's okay, it's under control

Show me soprano, cause girl you can handle  
Baby we start snagging, you come in part clothes  
Girl I'm losing wing, my Bugatti the same road  
Show me your perfect pitch,  
You got it my banjo  
Talented with your lips, like you blew out candles  
So amusing, now you can make a whistle with the music  
Hope you ain't got no issue, you can do it  
Give me the perfect picture, never lose it

Can you blow my whistle baby, whistle baby  
Let me know  
Girl I'm gonna show you how to do it  
And we start real slow  
You just put your lips together  
And you come real close  
Can you blow my whistle baby, whistle baby  
Here we go

Whistle baby, whistle baby,  
Whistle baby, whistle baby

Go girl you can work it  
Let me see your whistle while you work it  
I'mma lay it back, don't stop it  
Cause I love it how you drop it, drop it, drop it, on me  
Now, shorty let that whistle blow  
Yeah, baby let that whistle blow

Can you blow my whistle baby, whistle baby  
Let me know  
Girl I'm gonna show you how to do it  
And we start real slow  
You just put your lips together  
And you come real close  
Can you blow my whistle baby, whistle baby

Here we go

Whistle baby, whistle baby,  
Whistle baby, whistle baby
