"Stay With Me"

Visit "[Stay With Me](#)" on MotoLyrics.com

Love me, love me if you can
I wanna be your lover man
Feel the rhythm, feel the joy
I wanna be your living toy
Love me, love me every night.
Open up your dirty mind
Night and day I wanna sing. I wanna give you anything

Stay with me, stay with me, stay with me
I want you by my side
I want you by my side
Stay with me, yeah. Stay with me.
Stay with me, I want you here with me
So I can give you anything (Anything)
So I can give you anything (Anything)
Anything for all, anything for all.

Love me, love me everyday.
I wanna be your to play
Feel the rhythm, feel the beat.
I wanna be your body heat
Love me, love me everyday.
With you my girl I wanna stay
Night and day I wanna sing. I wanna give you anything
