[Rap Verse: Ja Rule]
I've been non-stop, since day one, keeping it gangsta
Never thinking 'bout consequences, I keep runnin'
What to say to mean don't mean nothin'
Just keep your head up
The way I been living, my lifestyle's gettin' me fed up
From New York to Japan, we breaking bread
While the world is at war and slangin' lead
You and I's, Too Hot For TV like Making The Band
Now get up and dance, and all my bitches, shake that
ass
Non stop

[Ai Morioku] Non-stop...
[Ja Rule] Come on
Come on
Uh, uh
It's Murder (It's Murder)
It's Murder
[Ai Morioku] Non-stop...
[Ja Rule] Yeah

We do this non-stop, baby

[Repeat Chorus] Twice

(Ja Rule in background) {Ai Morioku in background}

[Ai Morioku] Non-stop

Never stop

[Ja Rule] Never stop

[Ai Morioku] Come on (Come on)

And make your move

[Ja Rule] Make your move

[Ai Morioku] From the right

[Both] To the left

[Ai Morioku] You have the power

To do what you want

[Ja Rule] What up, Ai

[Ai Morioku] Hey, Ja Rule

Tokyo to New York

[Ja Rule] New York to Tokyo, baby {What you say}

[Ai Morioku] Come on

Come on

[Ja Rule] Yeah

Come on

Come on

Dance for me now

Yeah
