It's so strange he doesn't show me more affection than  
he needs  
Almost formal, too respectful, never takes romantic  
leads  
There are times when I imagine I'm not always on his  
mind  
He's not thinking what I'm thinking, always half a beat  
behind  
Always half a beat behind

I'm in every kind of trouble, can't you tell, just look at  
me  
Half ecstatic, half dejected, all in all I'm all at sea  
Easy turns I thought I wanted, fill me now with chilling  
dread  
You can never know the chaos, of a life turned on it's  
head  
Of a life turned on it's head

Take a little time to panic, shake off your complacent  
state  
I know all I ever wished to, of a life destroyed by fate  
It's so strange you never notice anything but where you  
are  
Step outside your gleaming prison, or is that a step too  
far  
Or is that a step too far
