"Hear Me Sing"

I thought you might unfold
It's me you could not hold
To love is to give in
The question is when

Sometimes timing's all you have
Most things won't come on your demand
Now I know you don't agree
But I hope you can see
That I tried

So hear me sing now
Hey
Hear me sing now
Hey

Who you are is what you hide
I was yours, but you weren't mine
So now you've drawn your line
But I hope it will fade
In time

So hear me sing now
Hey
Hear me sing now
Hey

Despite what we've been told
We're living alone
So let us sing now
Hey
Let us sing now
Hey

Despite what we've been told
We're living alone
So let it all go
Let it all go
Let it all go
Let it all go
Let it all go
