It's hard...to keep an even temper
It's hard...to just walk on by
It's hard...sometimes to remember
that it's easier to pick a fight

Chorus:

Even though trials and tribulations
Got me on the tips of my toes
If I'm gonna keep the peace I've found
I got to keep my feet upon the ground

It's hard...when there's no understanding
It's hard...when other's try to control
It's bad...to have to beg for mercy
but it's good at the end of the road
Chorus

It's wrong...when you argue over nothing
It's wrong...to leave hurt unrepaired
It's wrong...but I've been wrong before
but it's right to show her that I care
Chorus
