What are you lookin' at -- I'm lookin at you
What are you smilin' at -- I'm smilin' at you
I saw you in the corner -- tryin' to brush off Mr. Cool
Have you finally had enough of two timers
And drunken fools
Who's got the love
Who's got the love I need -- baby it's you

What are you lookin' at -- I'm lookin at you
What are you smilin' at -- I'm smilin' at you
Wonder why you been delayin'
Come on sugar let me know
I'm a-waitin' for you to take me
To places we long to go
Who's got the love
Who's got the love you need -- baby it's me

What will it take to travel
the distance in between
Your heart and mine oh darlin'
How I wish I knew your name

Are you waitin' for the perfect moment
When chance meets opportunity
I don't need no fortune teller
Just to see what you're dooin to me
Who's got the love
Who's got the love I need -- bany it's you
