Well I passed by this little place a time or two before
And I liked the words they had painted on the door

Social, Social Aid and Pleasure club

Are they drinkin', are they dancing
Are they havin' a ball, Are they making plans for the
next Mardi Gras

Social, Social Aid and Pleasure club

I wonder what they're doing at the social aid and
pleasure club
That's two things that I'd like to see plenty more of

I heard a rhythm from some drummin' that was coming
from within
I smelled the catfish fryin', you know something's
cookin'

At the Social, Social Aid and Pleasure Club

Whoa! They got a guitar player in there

Well I finally got my nerve up and I knocked upon the
door
The man who answered said What would you like to
know about the

Social, Social Aid and Pleasure Club

I always wondered what they're doin' at the social aid
and pleasure club

He said "Man, just come on in and see for yourself."

Social, pleasure
Social, pleasure
Social aid and pleasure club

Social, pleasure

Social, pleasure
Social, Pleasure
Social, Pleasure
etc.
