Björk

Riding on my bicycle
I saw a motorcrash
A proper motorcrash
Lots of spectators
I rushed to the center
Saw the injured parents
Cuts on the children
An awful motorcrash
So dangerous motorcrash
So terribly bloody
Motorcrash
Destructive motorcrash
I took the mother
Sneaked with her secretly
All the way to my home
And nursed her gently
I put on her bandages, gave her
Milk and biscuits
She sighed pleasantly after this
Awful motorcrash
So dangerous, dangerous
Motorcrash
Motrocrash
Destructive motorcrash

Einar

That girl on that bicycle
Showed great interest
In all the motorcrashes in the neighbourhood
She look quite innocent

Björk

Then we disguised ourselves
Took a taxi to her home
When her husband answered the door
She introduced herself
He said "Where have you been all this time?"

Einar

Believe you-me

I know what innocent looks like
She showed great interest
After she got that bicycle
