A STAR BURNS BRIGHT (AT CHRISTMAS)

A star burns bright
In the sky tonight
Shines for every boy and girl
Across the world tonight

Be it near or far
No matter where you are
There's a wish for every child
Upon that guiding star....

It's a wish for peace on earth
And goodwill to us all
From the children of the world
Peace on earth and good will to man
Merry Christmas to all your friends

So reach out a hand
For as one we'll stand
To send a hope for peace
To every troubled land.

For a star burns bright (A star burns bright)
In the sky tonight (In the sky tonight)
With a wish for every child
To follow that guiding light

It's a wish for peace on earth
And goodwill to us all
From the children of world

Merry Christmas to us all
From the children of the world
Peace on earth and goodwill to man
Merry Christmas to all our friends

Merry Christmas to us all
From the children of the world
Peace on earth and goodwill to man
Merry Christmas to all our friends

Merry Christmas (Merry Christmas)
Merry Christmas (Merry Christmas)
Merry Christmas to all our friends
