If we could find
Peace in our minds
With each passing day
If we could live
Believin' in dreams and what we could have been

If we just hold on
There's just so much we can hope for in life
If we just hold on
There's so much more left for you and me

All I know
Believe it and you shall be
Believe it so you can see
A brighter day in this world we live upon
Believe it now with me

If we could wait

For our place in the sun
Then we could fly so high
If we must bathe ourselves
In the glow of sunlight all around

If we just hold on
There's just so much we can hope for in life
If we just hold on
There's so much more left for you and me

And I know
Believe it and you shall be
Believe it so you can see
A brighter day in this world we live upon
Believe it now with (me)
Us holdin' on together
Pursuing our dreams to forever
Never to stop living life though it seems

All I know
Believe it and you shall be
Believe it so you can see
A brighter day in this world we live upon

Believe it now with me
