After you go, I can catch on my reading
After you go, I have lot more time sleeping
And when you go, it looks like things're gonna be lot
easier
Life would be a breeze you know
I really should be glad.
Chorus:
But I'm bluer than blue
Sadder than sad
You're the only life this empty room has ever had
Life without you is gonna be
Bluer than blue..
After you go, I have a lot more room in my closet

After you go, I can stay out long if I feel like
And when you go, I can run through the house
screaming
And no one can ever hear me
I really should be glad
(Repeat Chorus)
I won't have to miss no tv shows
I can start my whole life over
Change the numbers on my telephone
but the nights will sure be colder.
(Repeat Chorus)
Bluer than blue
Bluer than blue
Bluer than blue..
