Oohooh
Friday night and the lights are low
Looking out for a place to go
Where they play the right music
Getting in the swing
You come in to look for a king
Anybody could be that guy
Night is young and the music's high
With a bit of rock music everything is fine
You're in the mood for a dance
And when you get the chance
You are the dancing queen
Young and sweet, only seventeen
Dancing queen feel the beat of the tambourine, oh
yeah
You can dance, you can jive
Having the time of your life
Ooh, see that girl
Watch that scene dig in the dancing queen
You're a teaser, you turn 'em on
Leave 'em burning and then you're gone
Looking out for another
Anyone will do
You're in the mood for a dance
And when you get the chance
You are the dancing queen
Young and sweet, only seventeen
Dancing queen feel the beat of the tambourine, oh
yeah
You can dance, you can jive
Having the time of your life
Ooh, see that girl
Watch that scene dig in the dancing queen
Dig in the dancing queen, oh yeah
Dancing queen
(Dance with me, I want to be your partner)
Dancing Queen
(Dance with me, I want to be your partner)
Dancing queen
(Dance with me, I want to be your partner)
Dancing queen
Dig in the dancing queen

Dancing queen
(Dance with me)
Dance with me
(Dance with me)
Dig in the dancing queen
Dancing queen
(till fade)
