First the tide, rushes in you  
Is a kiss from the shore  
A voice softly speak  
And the sea is fairer still  
Once more  
So I rushed to your side  
Like the arm coming tide  
Ever stunning hope  
With your arms opened wide  
At last, with face to face  
And does we kiss to warm embrace

### CHORUS:

I can tell, I can fell  
You are there, you are real  
Really mine  
In the rain,  
In the dark  
In the sun  
(Repeat I, II)  
(Repeat Chorus moving to higher notes)  
Just by holdin' tight heaven sent  
Oh, I loved these  
In the warmth of your arms...
